This agreement is being entered into between Freedom Farms (hereinafter “the farm”) and _____ (hereinafter “the vendor”) for the purpose of participating in and selling goods or providing a service at 2024 Freedom Farms events.

CHOICE OF VENDORS

Vendors will be selected to provide guests and customers with an appealing variety of high quality, locally produced or sourced products and foods. The final choice of specific vendors will be made at the discretion of Freedom Farms. Freedom Farms will try to resolve issues of who may sell which particular products during the period of time vendors are being accepted for the coming year and may require particular vendors to forego the sale of particular products as a condition of their participation in the upcoming event. Only those applicants who have properly applied for vendor status, have been accepted as vendors, have paid their fees, have provided proof of insurance, and have completed and returned any applicable Health Department or Department of Agriculture forms may attend any given event.

ADMINISTRATION

Each event is administered by the farm pursuant to the following regulations:

1. The farm sets fees and determines event policies in compliance with Freedom Farms code of conduct
2. Freedom Farms Management oversees the event and has authority to assign vendor spots, settle disputes, disqualify vendors for violations of regulations, determine goods for sale, and determine new and existing vendor eligibility.
3. The farm reserves the right to terminate the event or change its time as it deems necessary or appropriate.

REGULATORY COMPLIANCE

Vendors must comply with all local, state, and federal regulations that apply to their business. Under Pennsylvania law, individual vendor stands must have individual licenses (when/if applicable) to sell products. LIABILITY

Each vendor must obtain general liability insurance that includes products liability and premises liability with minimum single limits for personal injury and property damage of \$2 Million per occurrence. Vendors must designate Freedom Farms as an additional insured on their policy. Vendors will be required to show proof of such insurance prior to being permitted to sell at any event. If a vendor arrives later than half an hour before the event begins and has failed to inform Freedom Farms Management that he/she will be late, said vendor will forfeit his/her spot for the day.
